Aftermath of storm leaves county in a spin

RUN AGROUND: Dredger Arco Axe being rescued at Shoeburyness

Picture by MARK CLEVELAND

REPAIRS are underway after Essex was struck by a severe storm on Monday.

Debris on the road slightly hindered ambulance crews during the early morning.

A tree fell on a car on Poynters Lane, in Shoeburyness, injuring a man in his 60s just

before 7am. The man was taken to Southend Hospital where his condition was not thought to be life threatening.

Between midnight and 4pm firefighters attended 214 incidents across the county, which included flooding, fallen power lines, fallen

trees, unsafe structures and traffic accidents.

Boats were blown off their moorings. A dredger at Shoeburyness had to be pulled from sandbanks by tugs.

Four people died in other parts of the country.

JAIL TERM FOR BANK ROBBER

A ROBBER has been sentenced to two years in prison for carrying out a bank raid.

Gary Horn, 56, walked into the Lloyds TSB in London Road, Westcliff, on August 19, 2013 and demanded cash. The cashier handed over notes amounting to just over £2,000.

Horn had indicated to the cashier he was carrying a weapon.

Basildon Crown Court heard on Tuesday that Horn was unemployed and had turned to

crime after suffering financial difficulties.

He was recognised by a member of the public following a police appeal for information.

Horn, of Hainault Avenue, Westcliff, appeared before the crown court for sentence having previously pleaded guilty to robbery.

Detectives welcomed his jailing.

Investigating officer, De Adam Maskell, of the Serious

Organised Crime Unit, said: "Today's sentence which is one of immediate imprisonment, demonstrates that no matter how desperate your financial difficulties may seem, this kind of crime is never an option and will not be tolerated by the court regardless of previous good character."

"Essex Police would like to thank those members of the public who helped in identifying the offender so that he could be brought to justice."

Henry, 79, bikes 100 miles

By Pat Higgins

southend@yellowad.co.uk

HENRY Howard cycled 100 miles last Thursday – which is not bad going for a 79-year-old from Southend.

It was all under cover, on an exercise bike in the local gym and took him from 11am to 9pm – with regular rests.

And it was all for charity, of course.

“I have been a keen cyclist most of my life, but I don’t go out on the roads any more – it is far too dangerous,” said Henry, who lives in Rowan Walk, Eastwood. “I still go to the gym as often as I can, and the exercise bike is my favourite”

Henry was 11 when he was given his first bicycle – and loved it.

“No-one could have stopped me once I got on it. I used to ride for miles in the country.”

Henry is an old hand at charity static bike marathons, this is his eighth. “The latest one is for SPARKS, a children’s charity, and in the past I have ridden for St Luke’s Hospice, Macmillan Cancer care and breast cancer research. “I enjoy the challenge and doing it for good causes.”

“I pace myself properly, I usually pedal for three quarters of an hour and rest for a 15 minutes.”

Henry had plenty of support from the staff at Rayleigh’s Virgin Active leisure centre.

MEMORIES: Anthony Wooding was inspired by a teacher at Westcliff High School for Boys

Recalling lessons learned in Leigh

AN EX-STUDENT of Westcliff High School for Boys is hosting an exhibition inspired by his favourite teacher.

Artist Anthony Wooding, formerly of Leigh, became interested in the writings and philosophy of native American thinkers during lessons with history teacher Georgie Whales in the early 1970s.

Despite now working as a senior lawyer in Ipswich, Mr Wooding, said he has never forgotten Mr Whales’ lessons.

“He knew how to tell the story,” he said. “Mr Whales explained what

had happened to the native Americans, the reasons why it had happened and the images associated with that.”

Mr Wooding has produced a series of works, which are on show at Ipswich Town Hall until November 23.

His exhibition, *Lame Deer – Living in Symbols*, explores the importance of symbols in the native American culture in a project of five paintings.

He will talk about the show on Wednesday, November 6, at 7pm. For information, go to www.ipswichrecreate.org

Said with flowers

MP and minister for armed forces Mark Francois has visited a poppy factory to see how the evocative flowers are made.

He toured the Richmond factory and spoke to staff.

“This visit was inspiring. Not only does the factory make the emblems by which we remember the sacrifices made so we can be free, but it provides employment for veterans and their families, including some who are disabled,” he said.

FIREWORKS are distressing for many pets, Dogs Trust warns.

The UK’s largest dog welfare charity warns said it ends up taking in traumatised dogs which have run away at this time of year and some owners cannot be traced.

Owners are urged to prepare for Bonfire Night and Diwali to minimise the effect on their pets and ensure their dogs do not end up straying through fear.

Excited pupils have a satellite phone call with Antarctic explorers

COOL CLASS: Pupils are spellbound by tales from explorers Mark Waters (left) and Spike Reid

A cold call we're glad to get

CLASSES took an adventurous turn with a visit from real-live explorers – and a satellite phone call with an intrepid Antarctic team on an expedition at the South Pole.

Spike Reid and Mark Waters, who are part of the backroom team for an expedition called the Coldest Journey, dropped into Holt Farm Junior School, Rochford, to tell Year 6 pupils all about it.

During the session, youngsters were able to talk to the team at the

By Pat Higgins

southend@yellowad.co.uk

South Pole by satellite – and hear exactly what it was like to be in minus-80C temperatures and in almost permanent darkness.

Mark and Spike are both involved in the educational side of the project, enthusing pupils about the epic adventure.

Assistant headteacher Lucy Wass, who organised the event as part of

the class's Weather and Climate studies, said: "It was a very exciting for pupils to welcome famous explorers who were able to describe conditions through their first-hand experience. They talked to the youngsters and held workshops to give them an invaluable insight into the weather and climate there."

The Coldest Journey is a 2,000-mile expedition across Antarctica. It is a journey that has for many years been considered too perilous

to undertake. Pupils learned that the expedition's five-man 'Ice Team' will have to overcome one of earth's most hostile environments if they are to succeed.

As it has never been attempted, the expedition will also provide invaluable scientific research to help climatologists, as well as forming the basis for an education programme that will reach up to 100,000 schools across the Commonwealth.

OLYMPIC bronze medallist Chloe Rogers made an inspirational speech at the Rochford and Castle Point Sports Awards.

The GB women's hockey player, who did so well in the 2012 games, handed out prizes at last Tuesday's ceremony.

Diver Oliver Dingley, who took gold and silver for springboard in this year's British Gas national championships, was voted sports personality of the year for Rochford, while Jessica Judd took the title for Castle Point for her athletic prowess.

Young sports personalities of the year were Harrison King for Rochford for athletics and

rugby, and gymnast Brinn Bean for Castle Point.

Wheelchair basket ball wizard Freya Levy was awarded disability sports personality of the year for Rochford, with swimmer Kieran Neary taking the title for Castle Point.

"It's great to be part of Sports Awards evenings like this. As an athlete, being acknowledged by your local community for all the hard work and dedication you have put into a sport helps motivate you to

want to make them proud and achieve even more," Chloe said in her speech.

Chairman of Rochford District Council Mrs Barbara Wilkins, added: "Award evenings are amongst my favourite events. I would like to thank all the winners, for putting us on the map with their high achievements in sport".

A huge audience was at the Mill Arts and Events Centre in Rayleigh for the event sponsored by Virgin Active.

Opinion and readers' letters

Living on borrowed money

I FEEL quite complimented by Fred Nicholson (*YA October 25*) who denigrates and mis-quotes both me and J M Keynes, the most famous economist of the 20th century.

If he is a student of economics I suspect he favours Reagan's and Thatcher's preference, the quaint 18th century Adam Smith, advocate of free markets and privatisation.

However, I find he agrees with much that I wrote. Too little of the nation's currency is in the hands of the needy resulting in diminished demand, lesser supply, unemployment, restricted enterprise and a crippled economy.

We are living on borrowed money with present monthly deficit of £11billion. Most of our national assets have been sold off, the proceeds spent, necessitating that we must cut expenditure and increase income. Increased income mainly comes from taxation, not only of the wealthy.

I do not object to increased free pay and feel it should be £13,500 for it is immoral for any government to determine a minimum wage and then take a cut by way of PAYE and NHI contributions.

However, I do not think I and other taxpayers should benefit

and tax rates should be increased to eradicate the vote catching benefit.

You can't get blood out of a stone and if necessary we must look to the wealthy and reinstate the 60 per cent top tax rate that persisted for nine of Thatcher's 13 years.

Les Harrington, Benfleet.

A matter of animal welfare

IN response to Lennie Du Toit, and his comments on the opposing of a Halal butcher, his comments in turn dismayed me.

Sadly, Mr Du Toit and his sympathisers will always resort to using the word 'racist' in order to stifle legitimate debate, and this in itself runs contrary to our democratic right of free speech. The signing of a petition is a relatively sensitive way to probe such an issue; how it can be compared to the rough-and-ready tactics of the EDL, is beyond me!!! And since when can the mere signing of a petition be described as 'hysteria'?!?! It appears the only 'hysteria' is in the wording of Mr. Du Toit's letter, poor chap!

The issue of Halal meat is indeed a legitimate concern to many people, particularly considering the means of slaughter involved and possible addi-

tional stress caused to the animal due to live slaughter.

Whilst Mr. Du Toit attempts to transform this issue into a religious and racially sensitive issue, he quite conveniently disregards the animal welfare aspect. The RSPCA, a body not known for it's racist qualities, is itself opposed to Halal slaughter, and has been consistently lobbying successive Governments for action on this matter. (For those who are not aware, Halal slaughter involves cutting the throat of a live, conscious animal, as opposed to the traditional manner of rendering the animal unconscious by stunning prior to the slaughter.)

Perhaps Mr. Du Toit is of the opinion that we wholeheartedly embrace the traditions of all other cultures without question only in order that we don't appear 'racist'? Sharia Law, Mr. Du Toit?

My dismay comes that only a thousand people bothered to sign this petition, and I feel that it is a sign of the times that people have no regard for the welfare of the meat on their plate, so long as the price is right.

Mystery of missing rubber bands

YOUR correspondent, David

Hurrell {That name rings a bell, (as the man said when my daughter took up campanology.)} bewails the demise of the red rubber band.

There is more to this than the likes of him are aware of. The superior red bands have been requisitioned by the Green Energy Brigade for driving wind turbines during calm weather.

This will enable the generators to constantly operate at full stretch, so to speak.

Ron Hurrell Hadleigh Park Ave

Good for jobs, bad for cleaner air

FOR those for whom environment is more important than industry, it's sad that the plants at Grangemouth are to re-open. The last week of closure has seen a remarkable improvement in air quality in the area.

Surely the Green Agenda would be to move these polluting activities to poorer countries and re-use the land for

building call centres - the staffing of which Scottish workers seem to be particularly well suited and able to compete on price and quality with the likes of India.

In fact, why not a swap?
John Eoin Douglas

Growth has to be a priority

AS London's economy recovers, the primary focus must be on creating more jobs and boosting growth. That's why an agreement on a comprehensive trade deal between the EU and Canada that will boost the UK economy by £1.3 billion is timely.

By negotiating as the world's largest trading bloc, the EU has been able to secure important concessions. Half of the gains in economic growth from the trade deal will go to the services sector, which is a big boost for London's important financial services sector, as well as for east London's Tech City, which receives a

large amount of external investment from Canada.

British exports to Canada are also expected to grow by almost a third with London businesses benefiting from improved access to the Canadian market.

This landmark European agreement with Canada is a forerunner to the ultimate prize of an EU-US trade deal that would be worth £2 billion to London's economy alone. Yet UKIP and many Tories argue we should turn our back on the EU and its trade agreements worth billions of pounds to the UK economy to focus on trade with the Commonwealth.

But the EU already rightly has trade agreements with a host of Commonwealth countries!

The truth is that leaving the EU would jeopardise our trade with both Europe and the rest of the world. Liberal Democrats believe our focus should be on creating jobs by building a more open and competitive EU, not putting them at risk by pulling out.

Baroness Sarah Ludford Liberal Democrat MEP for London

OOOH! Stay safe at this year's fireworks parties
Picture by MARTYN DOLTON

FIREFIGHTERS have issued safety advice for Guy Fawkes home firework parties.

Divisional Officer Neil Fenwick, community safety officer for Essex Fire and Rescue Service, said all fireworks should be purchased from reputable shops.

He also said to follow the Firework Code, which states:

- Only buy fireworks marked (British Standard) BS 7114.
- Don't drink alcohol if setting off fireworks.
- Always keep fireworks in a closed non-flammable box.
- Keep pets indoors.

- Follow the instructions on each firework.
- Light them at arm's length, using a taper.

- Never go near a firework that has been lit – even if it hasn't gone off, it could still explode, causing injury.
- Never put fireworks in your pocket and never throw them.
- Supervise children.
- Always light sparklers one at a time and wear gloves.
- Never give sparklers to a child under five.
- Don't use noisy fireworks late at night, and never after 11pm.

Top cop's USA run for Kirste and Isabella

START SPREADING THE NEWS: Deputy Chief Constable Derek Benson is running the New York marathon for charity

He's a star in New York

THE DEPUTY Chief Constable of Essex is to run The New York City Marathon.

DCC Derek Benson will tackle the 26.2 mile course on November 3 in the hope of raising hundreds of pounds for the Breast Cancer Campaign and Isabella's Fund. He is supporting the Breast Cancer Campaign in memory of former colleague Sgt Kirste Snellgrove, who battled the disease for almost seven years by sadly passed away at the age of just 42 in February 2012.

During that time she raised more than £50,000 for breast cancer charities by running 23 marathons.

Mr Benson said: "I used to spend quite a lot of time chatting with Kirste and we used to talk about running and football. I had mentioned this thought of doing another marathon to her and she set me the

challenge. She was an inspiration. When you heard that she was still running marathons even though you knew she must have been suffering, I thought there is no excuse for me not to do it. I have had other friends who have died due to cancer so I know how important it is to fund research."

The second good cause for which Mr

Benson is raising money, Isabella's Fund, also has a close connection to the force. Isabella's parents are both Essex police officers and need to raise money to pay for her on-going treatment for a rare chromosome disorder that is so unusual it doesn't yet have a name.

Her disorder means she was born with two

holes in her heart, suffers severe epilepsy and is registered blind.

Anyone wishing to donate to either of the two charities can visit Mr Benson's page at www.justgiving.com/Derek-Benson1 to give money to the Breast Cancer Campaign and visit the Isabella's Fund website to make a donation for her at www.isabellasfund.com

PROBLEM

Flat Roof Problems: -

felt roofs tend to blister become brittle and eventually crack, this will cause a slow breakdown allowing water ingress to damage roofing timbers before any problem is visibly detected within the home. Felt attracts moss & algae growth along with pooling water which will further degrade the roof surface.

Working Under Licence

High-Tech offers every home owner a world leading flat roof system. A High-Tech roof is dimensionally stable, solar reflective and 100% resistant to moss & algae growth. Death risk for patients, say experts

PATIENTS at a hospital face an 'elevated risk' of harm or death, a new report has concluded.

High mortality rates and potential harm to patients at Basildon Hospital were among 14 areas of concern identified by health watchdog the Care Quality Commission (CQC).

Experts outlined potential 'risks' to patient safety in an 'Intelligent Monitoring Report', published last week.

The report revealed that Basildon is one of the 'highest risk' hospitals in the country.

NEWS IN BRIEF

Quiet improvements

A CHARITABLE trust has pledged almost £20,000 to refurbish a 'derelict' garden.

The Veolia North Thames Trust has awarded an £18,000 grant to Basildon Council to regenerate the 'Quiet Garden' in Wickford Memorial Park.

The money will be pooled with £8,000 pledged by the Wickford Memorial Association. The space, which was created in memory of Wickford civilians who died in World War II, will be renamed the 'Home Front Garden'.

Councillor Kevin Blake, cabinet member for leisure, said: "I am delighted the people of Wickford who sacrificed their lives during the Second World War are going to have this garden as a living tribute."

Big project at hospice

HOSPICE users will soon be able to use a therapy, assessment and support centre.

Work has commenced on the development at St Luke's Hospice in Basildon.

The new facility will provide services including physiotherapy and an 'information and advice hub'.

The £775,000 project will be largely funded by the Department for Health, although £230,000 has been funded by the hospice's capital reserves.

South Basildon and East Thurrock MP Stephen Metcalfe attended the ground-breaking ceremony. He said he was 'delighted' by the development.

Town's fields of gold

RAYLEIGH Town Council has won two gold awards from Essex Playing Fields Association for the King George V playing field and its football pitches.

The council also took top prize for the best kept children's playground in the county – along with a trophy and £350 voucher for Wicksteed. This follows the prestigious Green Flag being awarded to the King George V Playing Field in July.

Delighted council chairman Ian Ward said: "This has been a fantastic year for the town council."

Convert your attic easily with Loftman

CONVERTING your loft for storage is one of the easiest conversions you can do, and one of the cheapest.

Loft conversions are great storage solutions for all of your unwanted and even wanted goods, or a great place to keep items out of sight for a few months or even years.

If you are planning a family you may need the extra storage room to put all of your baby clothes in, or you may want to put some of your current possessions up into the loft to clear some much needed space.

Using your loft space as storage is also a popular option if you have a commercial business downstairs and need more room to store some of your work belongings, giving your business the space to expand without the need to move.

Loftman's luxury storage rooms can

include the strengthening of the loft joists, flooring, lighting, access, roof insulation, stud walls, Velux windows and ready to skim plasterboard throughout.

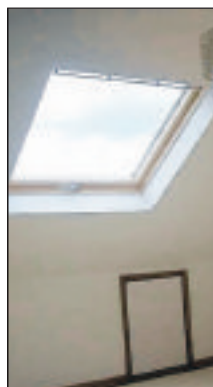

They can also install access doors into the eaves - offering valuable storage space on both sides of the room.

Depending on what you want to store in your loft will determine how much work needs to be done to

create the extra loft space.

Luxury storage rooms are surprisingly affordable at just a fraction of the cost of a standard loft conversion. For example, a loft conversion on an average sized two-bedroom terrace house costs just £3,999, including supply and fitting.

To book a free, no-obligation survey, call Loftman now on 01268 840010 or 07973 672227.

Towngate welcomes two icons

TWO LEGENDARY performers are not to be missed at Basildon's Towngate Theatre this November.

While the pair have several similarities, including the fact they were both born in East London, they have both enjoyed careers spanning several decades and they can equally belt out a song or two, the appearances by Des O'Connor and Kenny Lynch couldn't be any different.

While much-loved entertainer, Des O'Connor, will be appearing in his one man show, talented crooner, Kenny, will be taking to the stage alongside the UK's number one Rat Pack tribute act.

Entertainer and comedian Des will be at the theatre on Tuesday, November 5, for an evening full of laughter, song and music.

The multi-million record selling artist will entertain the crowd with his wit, style and charm as he sings, jokes and recounts wonderful tales of life in show business. And, having starred in his own mainstream television show for more than 45 years – longer than anyone else anywhere in the world – I'm sure he has more than a tale or two to tell.

After appearing in variety all over the country and then landing his first television series in the UK in 1963, Des has become a household name during a career that has spanned more than 50 years and just keeps on going.

In recent years Des - who is one of only a handful of British entertainers to be internationally acclaimed on stage and television,

LIZ WADE looks at two veteran entertainers who will be performing at Basildon's Towngate Theatre next month

and was awarded the CBE for his services to Entertainment and Broadcasting in the 2008 Queen's Birthday Honours List - completed a sensational three month season in the hit West End musical, Dreamboats and Petticoats at the Playhouse Theatre. Last year he then took over the iconic role of The Wizard in The Wizard of Oz at the London Palladium for five months.

While continuing in theatres this year, as part of a tour of selected UK venues including Basildon's Towngate Theatre, Des is also working on his 37th album. Co-writing with Alan Hawkshaw, who has worked with the likes of Elvis and Barbra Streisand, the album is due to be released later this year and follows Des' previous album, Inspired, which was released in 2008 and included 18 songs co-written by Des and Hawkshaw.

Another of the UK's busiest and most popular entertainers, Kenny Lynch, will also be appearing at Towngate Theatre on Wednesday, November 13, when he joins the UK's number one Rat Pack tribute act for an evening to remember.

Kenny, himself no stranger to chart-topping hits, has also become one of the UK's busiest and most popular entertainers over the past five decades, also regularly appeared in many variety shows in the 1960's, and received his own honour – an

Des O'Connor

Kenny Lynch

OBE in 1971.

Saying it is always a pleasure coming to Basildon, as he has many old friends in the area, Kenny added: "We always had such a great time in Basildon. The people are fantastic and never forget you."

"When I did a show here a few years ago people came backstage to remind me about the times I played there in the 70's with Jimmy Tarbuck."

"I have told the Rat Pack guys that after the show I will take them to some of the bars that I used to visit back then."

David Alacey's outstanding show 'The Rat Pack' which is Britain's longest running tribute to the original trio accurately recreates the legendary performances of Frank Sinatra, Sammy Davis Jnr and Dean Martin.

David, whose television appearances have included Lovejoy, will be opening the Christmas show in Basildon as Frank, and will be joined by The One Show presenter and former Eastenders star, Des Coleman, as Sammy and BBC Musician of the Year

Paul Drakeley as Dean

Des Coleman said: "It's an honour to be working and learning from Kenny on this tour and we have a great time on the road together. He says that this tour reminds him of the times he spent tour with Jimmy Tarbuck and Sir Bruce Forsyth as a sort of British version of the Rat Pack in the seventies and prior to that he actually toured with the Beatles in the sixties – what a career!"

The show will also feature BBC Musical Director Don Hunt with his acclaimed band and the stunning Silverbell showgirls and include favourite hits such as 'My Way', 'Mr Bojangles', and 'Fly Me To The Moon' as well as seasonal classics such as 'Winter Wonderland', 'Let It Snow' and of course 'White Christmas'.

*For further information and tickets for An Evening With Des O'Connor at 7.30pm on Tuesday, November 5, and The Rat Pack at 7.30pm on Wednesday, November 13, call the Box Office on 01268 4654654 or visit www.towngatetheatre.co.uk

Blue Chutney picks up award

AN extensive selection of fine traditional Indian cuisine can be found at the Blue Chutney, thanks to its award-winning chef.

Kamrul Islam was presented with a Curry Life Chef Award during a glittering ceremony at Lancaster London Hotel on Sunday, October, much to the delight of his colleagues.

The award puts Blue Chutney, at 31-33 The Broadway, Wickford, firmly on the map as the place to be to enjoy mouth-watering food, but outstanding cuisine is not all that is on offer at the popular restaurant.

Entertainment evenings including regular tribute nights, which all include a delicious four-course set meal, are another highlight at the restaurant.

Up-and-coming evenings include Elvis by Sal on November 7, for £21.95; a Rod Stewart Experience on November 8 for £23.95; He's The One, a tribute to Robbie Williams, on Saturday, November 30, for £23.95 per person; superb male vocalist Phil Hawkins on Friday, December 6, for £22.95 per person; vocalist Jade Tibbs on Saturday, December 7, for £22.95 per person; Simon James as Michael Bublé on Friday, December 13, for £23.95 per person; and Soul Town on Saturday, December 14, for £23.95 per person.

There will also be an appearance by Navi as Michael Jackson on Wednesday, December 18, for £27.95 per person; Abba Love on

Friday, December 20, for £23.95 per person; Nick Slade with his ultimate live comedy multi-tribute cabaret show on Saturday, December 21; and vocalist Tasha Leigh on Tuesday, December 31, for £32.95 per person.

Blue Chutney is also currently running a Drinks Promotion where diners are invited to come and party every Wednesday and Friday and enjoy a starter, main course, side dish, rice or nan bread from the menu (King Prawn £3.30 extra) as well as much drink as you want for one hour and 45 minutes. You must book a table to enjoy the offer, which costs just £19.95 per person on Wednesdays and £24.95 per person on Fridays, and drinks include draught Cobra

beer, Carling, wine by the glass, spirits, vodka, gin, brandy, whisky, Archers, Malibu, Baileys and soft drinks (excludes bottles of wine and champagne, and terms and conditions apply).

On Sunday and Thursday there are five course banqueting nights to enjoy in the restaurant which include one starter, any one main course, one side dish and any one sundries and coffee for just £9.95 on Sunday and £10.95 on Thursday.

The Blue Chutney, which is fully licensed and offers a relaxed and friendly atmosphere, prides itself on freshly preparing all of its dishes with the finest of ingredients.

As well as serving a wide range

of traditional Indian cuisines, the restaurant also has a selection of different dishes for diners to try so if you are looking for something new to delight your taste buds then why not try a Blue Chutney special dish or one of the chef's recommendations?

The Blue Chutney, which offers a full takeaway service with free local delivery, is now taking booking for Christmas, when it will be the ideal setting for festive celebrations with family, friends or work colleagues. The restaurant is also taking bookings for Christmas Day when it will be serving a choice of either a traditional festive English meal or an Indian alternative for just £39 per person, with a choice of sittings. As Christmas Day meals for children under 10 cost just £15 with the under five's eating for free, it offers fantastic value-for-money for the whole family.

Anyone interested in booking a pre-Christmas meal or Christmas Day dinner is urged to call for further information and book early to avoid disappointment.

The restaurant is open from noon to 2pm, and from 5.30pm to 11pm, from Monday to Thursday; from noon to 2pm, and 5.30pm to 11.30pm, on Friday and Saturday, and all day from 1pm to 10.30pm on Sunday.

Maharaja! One of the UK's Top 10

OPULENT beauty, dedicated service and exotic royal cuisine can be found at the award-winning Maharaja.

The restaurant, in London Road, Benfleet, has twice been nominated as one of the top 10 Indian restaurants in the UK, during the British Curry Awards.

More than 1,500 restaurateurs witnessed its second triumph last year, during a ceremony at London's Battersea Evolution.

A record 40,000 public nominations were received for the awards, covering more than 2,700 restaurants.

The Maharaja was voted best in the South East and became one of the top 10 restaurants in the UK, in the final heats of the 'Oscars' of the UK curry restaurant industry.

Siraj Ali, owner of The Maharaja, said: "To be nominated again, as one of the top 10 best Indian restaurants in the country is certainly a dream come true."

"We are always here to ensure that our customers are given the best of everything, and their loyalty and enjoyment has seen the Maharaja rewarded for its pursuit of excellence in Indian cuisine and dining."

"We would like to say a huge thanks to our customers who have helped us reach the pinnacle of success in the industry."

The Maharaja is an Indian restaurant full of heritage, which offers unique and exotic Royal Indian cuisine in a traditional setting fit for a Maharaja.

The Ali family prides itself on providing excellence in cuisine, service and ambience for each and every diner, with authenticity and customer service at the very core.

Specialties include lobster, king prawn, salmon, trout and exotic freshwater fish from the Indian Ocean, including Tilapia, while exciting new dishes include ostrich, venison, duck, whole leg of lamb and whole chicken.

The Maharaja has a wealth of offers including 'eat as much as you like' buffet nights starting from just £9.95 per person and a la carte

options, as well as early bird deals. There are also large party discounts and a resident DJ from Thursday through to Saturday, so you can start the weekend early.

Its takeaway service allows you to dine like a King in your own home, and boasts free home delivery as well as a further discount.

Choose the Maharaja for its opulent beauty, dedication to service, and exotic royal cuisine... it's easy to forget that you are not royalty there.

Finest Italian food at the Junction

Advertisement feature

A RANGE of mouth-watering temptations are served at Westcliff's Spaghetti Junction.

This popular restaurant, at 767 London Road, offers some of the finest Italian and continental dishes in town.

As well as its excellent pizzas and pastas and its varied Continental cuisine including paella, chicken formaggio and steak Diane, Spaghetti Junction offers an extensive menu including a wide choice of fish and meat dishes and plenty to choose from for those who prefer a vegetarian option.

In addition there's a Chef's Special board to view and a Children's Menu offering a variety of dishes for just £3.95, from Monday to Saturday.

If you have room for more then its desserts are to die for! The restaurant has built up a reputation for its mega-choice of excellent, monster-size delicious ice creams plus of course other desserts such as pancakes, waffles, chocolate fudge gateau etc. This menu has now been extended even further with new exciting ice creams on offer such as the tempting Hula Hula, Blackcurrant Bonanza, Strawbsational! and Strawberry Madness and for those who want something a little more exotic, 'A Taste of Passion', a delicious dish of ice cream, pineapple, peaches and mandarin oranges topped with passion fruit liqueur, plus many, many more fantastic offerings.

Spaghetti Junction offers a range of

deals from Monday to Friday evenings. Diners can enjoy the new Pizza and Pasta Menu, now offering a wider choice of starters and pasta or pizza, for £8.95; the Special New Duo Menu, from Monday to Friday evening, with main course and dessert for £9.95; and a three-course set menu for the fantastic price of £15.95. On Saturday evenings

there is also a special three-course menu for £21.50.

The restaurant has also introduced Gluten Free options and many of the dishes (marked gf) on the various menus can be prepared and made with ingredients, which to the knowledge of the restaurant do not contain gluten, including the pastas. There is also an extensive Gluten Free Dessert menu offering many deliciously mouth-watering dishes.

Spaghetti Junction is the ideal setting for parties of up to 30 people and is also available for private functions.

There is also a Takeaway Service available for those who want to enjoy dishes from the A La Carte and Gluten Free menus, as well as pizza and pasta, in the comfort of their own home.

ASK THE AGENT ALAN KIRKMAN

Q. Is Help to Buy really going to help the market?

A. For those who don't know, this is actually the second phase of the Help to Buy scheme. The first phase - a shared equity scheme designed to help people buy new-build only homes with a deposit of as little as 5% - was launched in April, and by all accounts seems to have been quite a success.

The second phase is a Government-backed mortgage guarantee scheme, enabling people to take out 95% loans to buy any property, old or new, valued at up to £600,000. It was due to start next January, but it has now been decided to launch it 3 months early.

What does this decision mean? Well, as from October 7, borrowers can apply for 95% mortgages to purchase both new and secondhand homes up to the price limit, with taxpayers underwriting up to 15% of the risk for lenders. One, the Royal Bank of Scotland, said it was expecting to be so inundated with applications that it would be extending its opening hours.

However, it's worth bearing in mind that it will be a phased introduction. In other words, lenders will be able to begin writing loans from this month, but the taxpayer-backed guarantee underpinning the mortgages will not be available until January, as previously planned. This means that while buyers with only a 5% deposit will be able to apply for mortgages, they will not actually get the loans through until January 1st onwards, and so will not be able to complete purchases until then.

Why did David Cameron decide to bring the start date forward? No-one really knows - although the announcement did come slap bang in the middle of the party conference season. The Prime Minister himself simply talked of his passion for helping people buy their own homes, and said that support of this kind was needed sooner rather than later.

Either way, with many crucial practical details of the scheme still unclear, the announcement certainly caught much of the mortgage industry on the back foot. One leading broker called it extraordinary, given that many lenders were unsure whether they would be ready for the scheme in January, let alone October...

Still, let's not be churlish. After all, just about anything which reinvigorates the housing market has got to be worth trying!

Happy Birthday to Q: Toomey hosts celebratory sales event

This month marks yet another anniversary for Network Q, Vauxhall's award-winning used car programme, and to celebrate, Toomey in Southend is hosting a special Birthday Sale Event.

Between Saturday 26th October and Monday 4th November, the retailer is inviting local motorists to join in the celebrations at the dealership on Cherry Orchard Way, whereby all customers who purchase a Network Q vehicle will drive away with a £500 cash gift*.

Kristian Hills, Dealer Principal at Toomey, comments: "We are excited to be hosting this celebratory birthday event. Network Q is one of the most thorough and reliable used car programmes ever developed and offers customers purchasing a used Vauxhall vehicle complete peace of mind.

"We hope to welcome many members of our local community into our showroom during the sale –

it promises to offer a great party-like feel and we look forward to showcasing our range of Network

Q vehicles, as well as reminding motorists of the advantages of buying a used Vauxhall within the Network Q programme."

Quality and reassurance as standard Network Q customers at Toomey can enjoy a comprehensive package of benefits designed to take all the worry out of buying a quality used Vauxhall.

Thanks to the rigorous Network Q Multi-Point Check carried out by the retailer's team of highly-trained Vauxhall technicians, drivers can be confident that they are taking to the road with the same level of reassurance they'd get from buying a new Vauxhall.

The Multi-Point Check examines every major mechanical component and technicians will undertake all vital safety and security checks and perform a thorough test drive, as well as

inspecting interior and exterior features. In addition, all Network Q vehicles come with an Ownership Promise which covers features such as mileage and vehicle history, ensuring that customers know exactly what they are getting, without any hidden surprises.

Offering even greater reassurance, a 30 day exchange is available, ensuring that if a car develops a mechanical or electrical fault in the first 30 days of ownership that cannot be repaired to a satisfactory standard, Toomey will exchange it for a Network Q vehicle of equal value. Plus, to make taking to the road even easier, every Network Q vehicle comes with 5 days' free insurance, as standard, so customers at the retailer can buy their chosen vehicle and drive it home on the same day.

Kristian Hills adds: "Delivering high-quality customer care is incredibly important to us, and whilst we're confident that each of our Network Q customers will be happy with their used car purchase, we are always keen to go the extra mile to ensure everyone drives away fully satisfied."

Selected Network Q Vauxhall passenger cars less than 12 months old and with fewer than 30,000 miles also now come with a Network Q 3-year warranty, whilst customers who purchase a Network Q vehicle under 7 years old with less than 70,000 miles, have the option to purchase a warranty of up to 60 months, offering additional assurance.

The Network Q Birthday Sale Event starts Saturday 26th October and ends Monday 4th November 2013.

To discover more about Toomey's range of Vauxhall Network Q used vehicles and for additional details about the Birthday Sale Event, please visit the retailer at **Automotive Retail Park, Cherry Orchard Way, Rochford, Southend-on-Sea, Essex SS4 1GP.**

SEE THE LIGHT: Now the clocks have gone back, drivers are being urged to look out for other road users and slow down

Be clock-wise

DRIVERS are being urged to keep an eye out for vulnerable road users and watch their speed now the clocks have gone back. Cyclists and pedestrians are also being advised to "be seen and be safe".

RoSPA (the Royal Society for the Prevention of Accidents) is also recommending that cyclists wear brightly-coloured or fluorescent clothing in daylight and reflective clothing or accessories in the dark.

By law, cycles must have front and rear lights switched on in the dark and be fitted with reflectors. And pedestrians, including joggers, are being reminded that they are hard to see if wearing dark clothing.

Latest statistics from the DfT (Department for Transport) showed a 10 per cent rise in cyclists killed on Britain's roads, with 118 dying in 2012. The number of child cyclists killed doubled to 13 and the number of seriously injured cyclists rose to 3,222.

RoSPA has campaigned for decades to make lighter evenings a reality, on the

by Mike Torpey

grounds that more daylight on autumn/winter evenings would save lives.

DfT research has shown 80 deaths and at least 200 serious injuries would be prevented on our roads each year if the UK switched to Single/Double Summer Time, (GMT+1 in winter and GMT+2 in summer).

The safety charity backed MP Rebecca Harris's Daylight Savings Bill, which was defeated at the final stage in January 2012.

Tom Mullarkey, RoSPA's chief executive said: "Although road deaths on the whole are going down, it is a huge concern to see a rise in the number of cyclists killed on our roads, especially children."

"We urge drivers to take extra care."

"But we also argue that an extra hour of evening daylight could help to save lives and reduce injuries during the colder, darker months. That is why we will continue to push for Single/Double Summer Time."

Scrap Cars

**End of the road
for your vehicle?**

Responsible drivers scrap their vehicles
at an Authorised Treatment Facility (ATF).

Because only an ATF can legally scrap a vehicle.
That means any pollutants will be made safe
before it's recycled in an environmentally
friendly way.

What's more, for certain types of vehicle you'll get a
DVLA approved Certificate of Destruction (CoD).
A CoD proves that the ATF has told DVLA your
vehicle has been scrapped and so is no longer
your responsibility. www.direct.gov.uk/motoring

SHRIMPERS SLUMP TO DEFEAT AT NEWPORT

Southend United

Newport County 3 Southend United 1

Brian Jeeves at Rodney Parade. SOUTHEND'S first visit to Newport in almost 30-years ended in defeat after a lacklustre display in South Wales.

United started brightly. Cauley Woodrow missed a glorious opportunity to open the scoring, scuffing his shot wide after racing clear of the County rearguard.

Newport responded when Daniel Bentley was forced into action to deny Conor Washington following Billy Jones' corner. Nevertheless, soon after the home side broke the deadlock. Bentley misjudged a long ball forward, leaving Washington with the simple task of slotting into an empty net.

Kevan Hurst fired a free kick dis-

appointingly high of the target after Barry Corr had been fouled, while the impressive Washington saw his run and low cross hacked away from danger by Ben Coker.

However, as half time approached Southend drew level. Hurst was fouled and Ben Coker sent the resulting free kick beyond County goalkeeper Lenny Pidgeley into the top corner of the net, sparking wild celebrations amongst the impressive away following of almost 500.

Before the Shrimpers could build any momentum, they once again found themselves behind. Following a corner from the left, Danny Crow headed back for Andrew Hughes to beat Bentley off the upright.

The Shrimpers tried to make some headway, but after Woodrow had fired an early chance into the side netting, the second period was

largely one-way traffic with the home side pushing Southend back for long spells.

County's first meaningful assault of the half saw Ismail Yakubu head- ed Washington's cross firmly past Bentley to extend the lead and kill off the visitors' resistance.

Soon after, it was almost 4-1. Washington showed Prosser a clean pair of heels only to see his strike cannon back off a post and into the hands of a grateful Bentley. Then, the Shrimpers keeper produced a fantastic save from Chris Zebroski's stinging drive. Blues substitute Michael Timlin cleared Yakubu's headed effort off the line from the resulting corner.

The introduction of Jack Payne gave Southend a little more impetus, although County still looked the more potent attacking force.

After Bentley had produced an

unorthodox save to thwart Robbie Willmott, Southend almost reduced the arrears when Pidgeley turned aside Ryan Leonard's long range effort.

But it was County who finished the stronger, Washington fired another chance just past a post then Bentley prevented Adam Chapman from adding to the home sides account with a spectacular finger tip save.

This latest setback was Southend's sixth defeat of the campaign, which leaves them thirteenth in Sky Bet League Two.

Newport County: Pidgeley, Jackson, James (Hughes 25) (Pipe 57), Yakubu, Jones, Willmott, Naylor, Minshall, Chapman, Zebroski (Crow 81), Washington. Not used: Flynn, Jolley, Redman, Stephens.

Southend United: Bentley; Auger, Kiernan, Prosser, Coker, Leonard, Clifford (Payne 58), Atkinson, Woodward (Reid 70), Corr, Hurst (Timlin 58). Not used: Smith, Njie, Edwards, Straker

Rovers give a five-star performance

Great Waking Rovers 5 Greenhouse London 0 Brian Jeeves reporting from Burroughs Park.

GREAT Waking Rovers took another stride towards promotion to the Ryman League with this five-goal victory over a Greenhouse London side who will feel slightly aggrieved at the magnitude of their defeat.

Rovers made a lightening start. After just two minutes, Billy Radley found himself in acres of space and beat Greenhouse goalkeeper Mason Durrell via an upright to give the home side the lead.

Harry Honesty went close with a couple of chances for the visitors, but before they knew it, Rovers extended their advantage. Aaron Baldwin was quickest to react, steering home from close range despite the desperate efforts of Durrell.

Shell-shocked Greenhouse looked to regroup. Billy Pike caused the Rovers rearguard some problems with his probing runs, while Andra Mantovani came close to reducing the deficit with a couple of free-kicks, the second of which drew a smart save out of Dale Brightly.

Before the interval, both sides missed decent chances. Honesty hit the top of the bar with a neat lob over a stranded Brightly while Max Kent fired wide from close range after Radley had picked him out.

Rovers started the second period in much the fashion they had the first. Baldwin beat Durrell with a crisp effort just two minutes after the restart.

Pike volleyed wide from Mantovani's corner as Greenhouse desperately looked for a foothold in the match. Nevertheless, the visitors were appreciative to keeper Durrell who spread himself to stop Ashley Hawkins adding a fourth. Soon after, the young goalkeeper had the crowd of 81 gasping in disbelief again, producing a stunning save low to his left to keep out Radley.

However, after Hawkins' inch perfect delivery from the left, Durrell could do very little to prevent Baldwin claiming the match ball with a neat header to make it four.

Rovers should have scored again when Hawkins incredibly missed from almost under the crossbar. Nevertheless, they were not to be denied a fifth. Dave Collins sent over a terrific dead ball for former Southend United man Nick Skelton to head past an exposed Durrell.

This was the Rovers' tenth victory of the campaign and moved them six points clear of title rivals Enfield 1893, while Greenhouse will believe they deserved better for their labours after a hard working display.

Great Waking Rovers: Brightly, Sparrow, Kent, Collins, Heppburn, Skelton, Radley, Smith, Trenkel, Hawkins, Baldwin. Substitutes: Read, Pugsley, Ansell, Paterson, Hall.

London Greenhouse: Durrell, Walusimbi, Glenslade, Hussein, Akinola, Alexander, Pike, Bakare, Honesty, Mantovani, Barnwell. Substitutes: Seidu, Cooke, Martin, Oyeyaga, Appiah.

Biggleswade Town 1 Canvey 0 by Matthew Stanton

CANVEY'S FA cup dreams came to a disappointing end, falling at the final hurdle.

The Gulls first team failed to match the enthusiasm of 300 travelling fans who travelled to Biggleswade with the hopes of reaching the first proper round of the FA Cup.

The club had given free bacon rolls to all supporters who made the 74 mile journey on Saturday. On arrival at the Carlsberg Stadium, the voices of Essex football fans could be heard around the corridors (and bar area) of the newly built facility.

Talk of Canvey's mass arrival to Bedfordshire had been discussed on social media websites and Biggleswade Town FC supporters also turned up in numbers.

The stadium barely fills 150 people on home games in the league but 700 watched this game.

Biggleswade Town, a team with history dating back to 1874, have never reached the fourth qualifying round of the competition.

The Waders came out the brightest and finished victorious – despite having the less vocal support.

Canvey rarely tested Wade keeper Ian Brown.

Both teams looked nervous during the first half with neither able to really get on top.

Jay Curran and Spencer Bellotti came close for Canvey but while Craig Daniels, Sam Reed and Lee Reed were instrumental for Biggleswade.

In the second half, Biggleswade dominated but failed to convert their chances.

On 47 minutes, Canvey defender Rio Bryan Edwards cleared a goal bound effort by diving and saving the ball with his face.

Twenty minutes passed and Canvey somehow survived an attack on 69 minutes when Alex Witham fired over with the goal gaping.

However, on 79 minutes substitute Brett Donnelly

who was able to head home from two yards out to spark celebrations amongst the Waders' supporters.

The reality of a possible televised cup game dawned on the Canvey players who showed more urgency.

New signing Warren McBean had the ball in the net but was flagged for offside while a 30 yard free-kick from Jordan Pavett was blasted over the bar.

In the final minute, Bryan Edwards headed over from a couple of yards out after getting on the end of Curran's right wing cross.

Biggleswade were drawn live on ITV against Stourbridge FC, based in the West Midlands.

Biggleswade Town: Ian Brown, Max York, Mark Coulson, Andrew Iwediuno, Steven Gentle, Lee Allinson, Craig Daniel, Evan Key, Sam Reed (61), Lee Reed (90), Alex Witham (87). Subs: Cameron Mawer (90), Alexander Taylor, Jonathan Woolf (87), George Smith, Callum Lewis, Brett Donnelly (61).

Canvey Island: Josh Vickers, Rio Bryan-Edwards, Ashley Dumas, Matt Game, Rob Bartley, Mike Jones, Sheldon Seilears (67), Freddie Warren, Jay Curran, Spencer Bellotti (58), Harrison Chatting (85). Subs: Ellis Sands, Warren McBean (58), Jay Nash (85), Jordan Pavett (67), Nick Humphrey, James Hawes, JM Kulnig

Season best performance as Southend put the past behind them

Rugby

Southend 34 Clifton 10

SOUTHEND were coming off a poor performance at Stortford last week when they welcomed Clifton to Warners Bridge Park on Saturday.

What a difference a week makes as they served up a performance which was prob-

ably the best of the season so far. Clifton had travelled from Bristol boasting five wins from seven, laying third in the table.

Southend applied pressure from the start, especially in set pieces. The forwards' scrummaging had Clifton in disarray and provided a sound platform for returning scrum half Lee Sandburg.

After only nine minutes constant

Southend scrummaging took them ever further into the Clifton half until eventually they broke away and found wing Mark Billings who danced over. Brad Burr's conversion took the score to 7-0.

Clifton were then gifted three points as a speculative pass off the ground led to a penalty in their favour, Charles Foley kick sailed between the posts. 7-3.

Things then took, what many of the Southend faithful thought, a turn for the worse when, in quick succession, two players were injured. Bradley Burr, who enjoyed his first start of the season last week had to come off. Two minutes later Adam Ferrier wrenched his knee and was replaced by Harry Hudson.

Play continued without any dis-

cernible difference in the rhythm and structure, but suddenly Southend were penalised. Clifton's Foley was unable to convert the points on offer.

Almost immediately they won another penalty. A quick breakaway led to their only try from winger Augustin Slovic.

Up to third in the table and away to second place Cambridge next week.
